Education

Georgia Institute of Technology, Atlanta, GA   August 2018 – June 2022
Candidate for Bachelor of Science in Computer Science – GPA: 4.0/4.0

Experience

Engineering Intern   May 2019 – July 2019
NCR Global Headquarters, Atlanta, GA
- Developed with a team of other 7 interns an app for monitoring real data and NCR services through a visual dashboard by integrating already existing data models for applications with newly created data managing applications and simulators.
- Developed endpoints for API in use by NCR Point of Sales and costumers as well as debugged and integrated new test scenarios for currently in-use applications developed by NCR.

Student Assistant   September 2018 – Present
Office of Outreach and Enrollment, College of Computing at the Georgia Institute of Technology, Atlanta, GA
- Helped host technology companies in their visits to campus to meet the students as well as their workshops and talks in the evenings.
- Assisted in the process of creation of banners, posters and flyers for visiting companies.

Corporate Relations Analyst   September 2018 – Present
Brazilian Student Association, São Paulo, Brazil
- Negotiated and built partnerships with famous organizations and startups like BREX and Endeavor.
- Developed projects for the advertising of our brand and our partners' like newsletters and etc.

Rotating Summer Intern   January 2017 – February 2017
Gneuß Kunststofftechnick GmbH, Bad Oyenhausen, Germany
- Assisted the assembly of 3-5 motors per day for industrial plastic recycle and reuse machines.
- Found and corrected a mistake in safety plaques that could cause accidents to operators of the machines.
- Rotated departments in intervals of 3 to 5 days to shadow professionals from almost all areas of the company.
- Translated documents needed for import and export of products between countries including Spanish and Portuguese-speaking countries.

Volunteer teacher   August 2015 – June 2016
Escola Ludovico Pavoni, São Paulo, Brazil
- Taught classes of 20 children, ages between 10 and 14 and 14 to 17 years-old, about topics that ranged from English and German to Math and Environmental Studies.
- Developed projects with the students to encourage them to apply for colleges in Brazil.
